

The Property World's Premium Choice

Awarded 5 stars in three categories of The Best Mixed-Used Development in Malaysia, The Best Mixed-Used Architecture in Malaysia and Best Residential Renovation/Redevelopment Malaysia, as well as representing the Asia Pacific region under the category of The Best Mixed-Used Development in the *International Property Awards 2016-2017*, it's safe to say that Datum Jelatek is one of Malaysia's finest architectural marvels yet. The weekend of the 4th of December marked the launch of Datum Jelatek Galleria, a residential development identical to the style of Datum Jelatek that also acts as their official Sales Gallery. **Join the discussion on this topic at internationalbusinessreview.net**
