Marketing Executive,
Homefield

years. “The quality of Datum Jelatek’s residential towers is worth the money,” she added. Munirah noted that now is the best time for potential buyers and investors to capitalize on the best packages and products due to current rebate promotions and easy entry. The region of Datum Jelatek is also around prominent landmarks, foreseeing the area to be the next hotspot for foreigners. “The abundance of the surrounding population and offices makes Datum Jelatek an attractive catch among home buyers,” she said.

Be it Datum Galleria or the many towers of Datum Jelatek, there is an unquestionable appeal to the development that attracts any

“**It is best when the market has been subdued – the prices become more attractive.**”

– **Mohd Zaid Zaimuri,** Senior
Marketing Executive, Petronas

“**Despite the slower property market, there are many quality and strategic developments – such as Datum Jelatek – that are encouraging.**”

– **Munirah Mohammad,**
Director, Homefield
